

# Product documentation

Page actions

The page actions are located on the right sidebar and offer additional functionality for this page:

## 1. Revisions

Revisions list previous page versions. Revisions are created when content of page is updated.

## 2. Export

Each accessible page can be exported to be used in an environment where no internet access is available. The following formats are offered:

|                    |       |
|--------------------|-------|
| Contained Web File | .html |
| PDF File           | .pdf  |
| Plain Text File    | .txt  |
| Markdown File      | .md   |
| Portable ZIP       | .zip  |

---
